AUTHORITY: 42 U.S.C. 9801 *et seq.*

SOURCE: 76 FR 70029, Nov. 9, 2011, unless otherwise noted.

§ 1307.1 Purpose and scope.

The purpose of this Part is to set forth policies and procedures for the designation renewal of Head Start and Early Head Start programs. It is intended that these programs be administered effectively and responsibly; that applicants to administer programs receive fair and equitable consideration; and that the legal rights of current Head Start and Early Head Start grantees be fully protected. The Designation Renewal System is established in this Part to determine whether Head Start and Early Head Start agencies deliver high-quality services to meet the educational, health, nutri-

tional, and social needs of the children and families they serve; meet the program and financial requirements and standards described in section 641A(a)(1) of the Head Start Act; and qualify to be designated for funding for five years without competing for such funding as required under section 641(c) of the Head Start Act with respect to Head Start agencies and pursuant to section 645A(b)(12) and (d) with respect to Early Head Start agencies. A competition to select a new Head Start or Early Head Start agency to replace a Head Start or Early Head Start agency that has been terminated voluntarily or involuntarily is not part of the Designation Renewal System established in this Part, and is subject instead to the requirements of part 1302.

§ 1307.2 Definitions.

As used in this Part—

ACF means the Administration for Children and Families in the Department of Health and Human Services.

Act means the Head Start Act, 45 U.S.C. 9831 *et seq.*

Agency means a public or private non-profit or for-profit entity designated by ACF to operate a Head Start or Early Head Start program.

Aggregate child-level assessment data means the data collected by an agency on the status and progress of the children it serves that have been combined to provide summary information about groups of children enrolled in specific classrooms, centers, home-based or other options, groups or settings, or other groups of children such as dual language learners, or to provide summary information by specific domains of development.

Child-level assessment data means the data collected by an agency on an individual child from one or more valid and reliable assessments of a child's status and progress, including but not limited to direct assessment, structured observations, checklists, staff or parent report measures, and portfolio records or work samples.

Early Head Start agency means a public or private non-profit or for-profit entity designated by ACF to operate an Early Head Start program to serve pregnant women and children from
